...welcoming change

Spring 2022

Welcome SJCC Principal, Loretta Coil..

I am honored to be joining the Bishop Hoffman Catholic School family as the Principal of the SJCC campus! I am excited to have the opportunity to work with a school so rich in its history, educational excellence, and strong faith. This will be my 32nd year in education. I hold Master's degrees in Special Education and in Education Administration. I have worked as an administrator for school authorizers and as the Regional Special Education Director overseeing all aspects of specially designed instruction for four schools in Ohio. As a graduate of St. Ursula in Toledo, I am thrilled to be returning to my Catholic school roots. It is truly an honor to be chosen to serve with you in faith and education.

The parents here at SJCC have entrusted their child(ren) to our campus filled in faith and excellence, and I look forward to continuing SJCC's legacy. I have always held steadfast in my belief that all children can learn through the collaboration between home and school. My goal is to partner with the family's to help shape the future of our students with the guidance and support of the Catholic faith so together we will fulfill the mission "To reach and teach the Mind, Body, Heart and Soul of each child to bring them closer to God."

I look forward to getting to know more about you as we reconnect with the alumni and work together to continue to build on the amazing SJCC foundation of educational excellence and faith. If you ever visit SJCC, please feel free to stop by my office. My door is always open and I welcome your input and conversation, as we are here to help each student to achieve his or her fullest potential. By the grace of God, the children are the focus of our work.

In God's Embrace,

Loretta Coil M.Ed., Ed.S.

and Sacred Heart Campus Principal, Karly Cross

I was born in Jackson, Michigan and moved to Marblehead, Ohio when I was five years old. I have three older siblings; one sister and two brothers. My family owned a restaurant on Catawba that we eventually sold in 2018. I started working there when I was nine years old and continued to work there until it sold. I graduated from Danbury High School in 2004. I went on to obtain my Bachelor's Degree in Early Childhood Education from Bowling Green State University graduating Cum Laude. After graduation, I was hired at Immaculate Conception School in Port Clinton as a first grade teacher. I taught this grade for eight years and absolutely loved it. I was the teacher representative for many committees and was Co-Chair of the Accreditation team. I continued my education and earned a Master's Degree from Lourdes University in Educational Leadership. I graduated in December of 2020. My Capstone Project was selected to be the face for future students.

I currently live in Port Clinton with my 17-year-old son. I am a member of St. Joseph's Parish in Marblehead. I enjoy spending time with my family, attending concerts and sporting events, visiting the islands in the summer, reading, going to Florida, shopping, and playing board/card games.

When I was hired for the principal position at BHCS, I was elated. I could not wait to start this new chapter of my life, and I have not been disappointed. The teachers and staff have welcomed me with open arms and have truly made the transition from teacher to principal a wonderful experience. Their kindness and support means everything to me and really showcases the wonderful talent BHCS has serving their families. The students are just as incredible; they have been so welcoming. I am really enjoying watching them grow and learn. Every day I look forward to greeting them in the morning, visiting them in the lunchroom/classrooms, or having small talk in the hallways. I can see the light of Christ shining through each of them. The patience, understanding, and kindness that the families within BHCS have shown me has been a blessing.

Hello BHCS/SJCC Alumni,

The Voice is back!!! We are so happy to be in touch with all of you again. We would like to take this time for a brief update. The BHCS Governing Board has partnered with a Midwest firm called Field Development Consultants (FDC) to assist in hiring a new Director of Development and in running the annual fund that is crucial to the school system's operating budget. It is with their help that we would like to announce that we have hired a new Director of Development, Jenny Freeh. Jenny is an SJCC alumni and Ohio State Graduate. She has jumped right in to her new role and is looking forward to making contact with all of you. We are so excited she is a part of the BHCS family!

As we reflect on the past year as a school system, we faced many challenges. Our Catholic faith teaches us to expect difficulty, even persecution, and to put our trust in God and bear it patiently. Despite our challenges, BHCS has endured with much to be grateful for. Looking back on the last calendar year, we would like to revisit the idea of healing together and look forward to a bright future as a school family.

We are blessed to have many incredibly dedicated and talented teachers, pastors, and staff. We are blessed to be surviving a pandemic with our students in the classroom and available to participate in extracurricular activities. We are blessed to see improvements to our physical buildings and infrastructure, some completed and others upcoming. We are blessed by the stewardship of those who generously share their time, talent, and treasure in support of these projects.

We were blessed to see record donations to the 2020-21 Annual Fund. Many thanks to the leadership and collaboration of Ann Marie Pumphrey and John Connell with Angie Halbeisen to make the Annual Fund so successful and THANK YOU to those who donated. As a reminder, Annual Fund donations go directly to the BHCS operating budget. Unlike the independent organizations - CEDF, PTO, SJCC Alumni Association and Booster Club, the Annual Fund is not an endowment or designed to carry over a balance from year to year. Annual Fund contributions are not rationed or budgeted over time, but fully applied each year to our operating budget. We are looking at the finale of our annual fund and need your help. Please see the information provided in this issue of *the Voice* and consider a donation that directly helps our operating costs.

Last, but certainly not least, we are grateful for all of YOU, our alumni and friends, that support our school system and enable us to fulfill our mission "To Reach and Teach the Mind, Body, Heart and Soul of Each Child to Bring them Closer to God." Our alumni support is crucial to our school system and we are glad to be back in touch. We, as a Governing Board, thank you all for your time and support!

Welcome Megan Beaver, Director of Faith Formation

What a gift it is to be a part of your community this year! I am honored to introduce myself to you as the Director of Faith Formation and Discipleship for the SJCC Campus and Sacred Heart Campus of BHCS. I was hired as an Administrator and the Department Head of Theology alongside our BHCS Leadership Team, Loretta Coil and Karly Cross, with the goal of promoting our vision to equip students with a desire to know, love and serve the Lord as they strive to fulfill their vocations.

These past two years I have served as a missionary and Outreach Department Lead at Damascus Catholic Mission Campus in Centerburg, Ohio, where I helped serve 10,000 youth annually, was a Youth Ministry Lead and even had the opportunity to be a high ropes instructor! I have a Master of Arts degree in Educational Studies from The Ohio State University and a 4-Year Educator License from the state of Ohio. I received my undergraduate degree from Miami University, where I was a student athlete and ran cross country and track. This spring I've had the privilege of coaching hurdles and distance for our high schoolers. Go Streaks!

My family permanently resides in Marblehead, Ohio, where I grew up spending my summers with my grandparents and cousins on Lake Erie. This June I will be getting married in their home parish, St. Joseph's Catholic Church. St. Joseph is one of my favorite saints, and so as our patron, it is fitting in asking for his intercession for our schools! It is my greatest desire this year to continue serving you and your children in bringing our community closer to the person of Jesus Christ.

In Christ,
Megan Beaver

Jenny Freeh, back to her roots!

"We are St. Joe Central Everyone. . . " those lyrics are embedded in my heart, just as much as "Carmen Ohio" from my other Alma Matter, The Ohio State University. My Great Grandmother Gertrude (Gabel) Freeh graduated from St. Joseph High School in 1911, just a mere 96 years later, I graduated from the same school that she along with her son (Jerry '47) and grandson (Bob '78) did. In 2032, her great-great granddaughter, Harper, who is attending BHCS will graduate from SJCC as well. Like many of you, my faith and ideals were established in these halls. Teachers like Cel Foster and Rick Wonderly taught me not only the curriculum, but how to be a Christian. These fundamentals were paramount to my lineage and they were important to me as well when I chose to raise my daughter in this community. I am thrilled to have this opportunity to serve BHCS in the **Director of Development & Alumni Relations** role. For the past few years, I've been giving back to my community as a Board Member of Sandusky County Habitat for Humanity, Sandusky County Young Professionals, Our Lady of the Pines, and Fremont Kiwanis, I'm excited now to work for and be a part of a school that instilled that service minded focus in me.

At the recent Hall of Fame Assembly, Inductee Tim Dondero stated, "You're not privileged because you went to St. Joe, it is a privilege to attend St. Joe." I want to make sure that many students for years to come, will have the privilege to obtain an education rooted in tradition with a Christian foundation. Please feel free to reach out to me; I'd love to hear from you! I hope to discuss with many of you ways to give back to this school that gave us so much.

Sincerely,
Jenny Freeh, '07

Student's share their musical gifts with the school

BHCS Students Andrea Gonzales (sophomore), Elizabeth Rellinger (sophomore), & Collin Stull (junior) lead the charge for the music ministry for school liturgies here at SJCC. These three talents also make up the melodic FACT Music Group. FACT (Fremont Area Catholic Teens) is the Tri-parish Youth Group. Originally led by Tracy Boulware; the Music & Liturgy coordinator at Sacred Heart, these three students performed the worship music during adoration. Their music created a contemplative atmosphere that inspired deeper reflection, prayer, and participation by the students.

Director of Faith Formation & Discipleship, Megan Beaver, is elated by these spectacular students. She reflects, "their contribution to our music liturgy has been invaluable."

At school masses and special events such as Reach Out, they are joined by BHCS Junior High Academy students, Stephanie Flahiff and Isabella Palomo. They recently were able to share their abilities with some Alumni at the Hall of Fame Induction Mass and even provided the music at this year's Confirmation.

Andrea Gonzalez states, "We feel as peers of our fellow students we influence participation. We've seen the students become more engaged, especially at Adoration. We have been the one's to decide what music to play, but we have had students requesting the songs they'd like us to sing. This shows they care and are interested in expressing their faith through worship music."

The group demonstrates a devotion and commitment as they meet regularly after school to plan music and rehearse. They do not hesitate to say "yes" to an opportunity to lift up our prayers through music!

Andrea Gonzalez, Elizabeth Rellinger, Isabella Palomo, and Stephanie Flahiff surround Collin Stull on the piano.

Alumni Spotlight

Lisa Swaisgood '80 and Julie Chudzinski '01 dance with the stars!

Lisa (Light) Swaisgood or Ms. Lisa as she's known to the hundreds of those who have had the privilege of being her students at the Sacred Heart Campus Early Childhood Center performed in the 10th Annual "Sandusky County Stars Dancing for CASA" event held on April 2nd, 2022 after being cancelled last year due to Covid. This event raises money for the nonprofit organization CASA (Court Appointed Special Advocates) of Seneca, Sandusky, and Wyandot Counties. This organization works to train people to become volunteer advocates for children. The CASA volunteer advocates for the child's best interests and has proven to make a difference for these children. In 2021, CASA served 292 children.

Miss Lisa wasn't the only Alumni to participate. Julie Chudzinski, a licensed Funeral Director at Herman Funeral Homes, performed in the competition as well. Mimicking the famous show *Dancing with the Stars*, Ms. Lisa and Julie trained with a professional dancer to choreograph routines to execute in front of a crowd at Terra State Community College. There were two awards given out: The People's Choice where those in attendance could vote for their favorite performer by donating money, and The Judge's Choice where a panel of Judge's voted on their favorite performer. With over 350 people in attendance, over \$45,000 was raised for CASA of Seneca, Sandusky, and Wyandot Counties.

"I am passionate about children and how important the early years are to build a strong, positive society. The way we act, react, and direct the "little people" can create a brighter future for us all! That is why I chose to accept the invitation to be part of CASA's Dancing with the Stars," added Swaisgood.

We are proud to announce that Julie won Judge's Choice and Ms. Lisa won 2nd Place in the People's Choice Category.

Students enjoy Catholic School's Week and class retreats

Juniors & Seniors are pictured at an Abundant Life Retreat at Damascus Catholic Mission Campus in December 2021. At this retreat the students experience encounters that invite them to further their relationship with Christ.

The finale of Catholic School's Week was the class competition. Staff members Cori Foss and Megan Beaver dominated the "Hungry, Hungry Hippos" game!

Praying together during Catholic School's Week, freshmen Megan Hanes and Danika Denman lead the student body in the rosary.

These young men are suited up for archery tag, which was one of many competitions held at Damascus.

Showing great teamwork, freshmen Tristan Obregon and Sienna Koebel race to be the first to finish in the "mummy wrap" competition.

Representing the sophomore class, Liz Kellinger does her best to catch the ping pong balls in some wobbly cups during the Catholic School's Week competitions!

Planned Gifts: Planned gifts allow donors to make a significant gift to benefit BHCS in the future, typically at the donor's or beneficiary's death.

Bequests: Bequest provisions in a donor's will may provide for a specific amount, percentage or residue of the estate.
